No, I don't believe I saw that e-mail from Earl. Did you send it my way?

Thanks.

OK – great; I'll turn them around ASAP. Did you see the email from Earl about the tides & timing of the survey?

Thanks.

**Subject:** update on SJ work plan

Gary,

I put together a work plan and HASP. I am waiting for comments from our

9563223

Houston office. Once I get those, I will forward the documents to you for approval. We can then plan a date for data collection.

Thanks.
